Punish scraping the flesh pleasure raping your soul
rotten breeding aggression reaper rip out your soul
crucified bring on the heathen exorcised bring on the
demons sacrificed bring on the evil parasite bring on
your death to me

Torment me
I want to feel your pain
Torment me
This is no stupid game
Torment me
I want to feel your pain
Torment me

Destroy me despite me disgust me punish scraping the
flesh pleasure raping your soul rotten breeding
aggression reaper rip out your soul crucified bring on
the heathen exorcised bring on the demons sacrificed
bring on the evil parasite bring on your dead to me
