State execution led to the chair we are the blameless
living in despair marched to the white room taken your
rights final request denied it's time for you to die
circuitry meltdown you'll die in pain electrocution
2000V down your brain no one to save you no one will
care guilty or innocent we'll take you down the chair we
are the sinners the sinners of democracy we ask
forgiveness the innocent will not be freed we are the
sinners the leaders of hypocrisy we ask forgiveness
but justice will prevail state execution led to the chair
we are the blameless living in despair marched to the
white room taken your rights final request denied it's
time for you to die we are the sinners the sinners of
democracy we ask forgiveness the innocent will not be
freed we are the sinners the leaders of hypocrisy we
ask forgiveness but justice will prevail we are the
sinners we ask for forgiveness we are the sinners we
