Well, it's a hard time cookin'  
Down at Matt's ol' place  
I said, a hard time cookin'  
Down at Matt's ol' place  
Oh well, when you start wigglin'  
And baby, watch their face

[Chorus]  
You got a be-bop battlin' ball  
A be-bop battlin' ball, baby  
A be-bop battlin' ball  
A be-bop battlin' ball  
Well, I'll always talk of my baby  
That ain't all

Oh well, the cats started jumpin'  
Man they're really doin' it right  
I said, the cats started jumpin'  
Man they're really doin' it right  
You gotta clear the floor  
'Cause we're gonna mop it tonight

[Chorus]

Well, I'll pick you up along about eight  
We're not coming back until it's late  
I'll pick you up along about eight  
We're not coming back until it's late  
Go tell your mother she might as well lock the gate

[Chorus]
