I know how to get from A to B
But the difficulty is from you to me
It's just too much handle
You're just too much handle
You fly 10, 000 miles to push my buttons
You hit the clouds, and think nothin' of it
And I know what you say
And I know what you say you are... Oohh...

Pre:

And I'm so done and I'm so sick of all of these lies
I need the proof in the pudding this time
Hop on a plane and watch me fly on by
You're just so far away...

Chorus:

And I know what you say
And I know what you say
But you've gotta prove it
Boy just come and do it
And I know what you say
And I know what you say
But you're 10, 000 miles away
You live in tomorrow and I'm stuck in today

I'm spinning counter you're spinning clockwise
As I watch the sunset you watch your sunrise
I know what you say
And I know what you say you are
We see the stars in completely different ways
You live in a place where the seasons actually change
Ooh, I've got too much to say (pre & chorus)

Bridge:

You're just a day away
Same as yesterday
Hop on a plane
Hop on a plane
Oohh...
I know what you say
And I know what you say...

But you've yet to prove it... (chorus)

Stuck in today...

Stuck in today...

Cause you're still in Sydney and I'm stuck in L.A...
