I wonder why I wasted all of my time  
I could've been, I could've been there with you  
Wonder why I even try girl  
Cause there's just nothin, nothin I can do  
Nowhere that I can go, no  
Nothin that I can say girl, that's gonna take the pain  
away

This time I feel like dyin, feels like I'm dead within  
Sometimes I wish I was, girl, so I could hold you, again

Build your castle in the sky, now no one can tell you  
lies,  
Heaven's not so far if I can see you in my dreams  
When I feel my time is near, I won't be sad cause you'll  
be there  
I know you're right there waiting for me, yeah, yeah,  
yeah

It's hard to make it on my own  
I need your love girl, so much more than I'd ever known  
Sometimes it's hard to breathe  
Sometimes it hurts so bad, girl, that I just fall to my  
knees.

This time I feel like dyin, feels like I'm dead within  
Sometimes I wish I was, girl, so I could hold you, again

Build your castle in the sky, now no one can tell you  
lies,  
Heaven's not so far if I can see you in my dreams  
When I feel my time is near, I won't be sad cause you'll  
be there  
I know you're right there waiting for me, yeah, yeah,  
yeah

Yeah, waiting for me (I never thought that you would  
wait for me)  
No, waiting for you (I didn't think that we could never  
be)  
Yeah, waiting for me (I never thought that you woul-)

Yeah waiting for me

Build your castle in the sky, now no one can tell you  
lies,  
Heaven's not so far if I can see you in my dreams  
When I feel my time is near, I won't be sad cause you'll  
be there  
I know you're right there waiting for me, yeah, yeah,  
yeah

Build your castle in the sky, now no one can tell you  
lies,  
Heaven's not so far if I can see you in my dreams  
When I feel my time is near, I won't be sad cause you'll  
be there  
I know you're right there waiting for me, yeah, yeah,  
yeah
