In my neighborhood
I never sweat when I'm
In my neighborhood
I feel much better when I'm
In my neighborhood
I never sweat when I'm
In my neighborhood
I feel much better when I'm
In my neighborhood
I never sweat it when I'm
In my neighborhood
I never sweat it
Course:

Verse 1:

Well I just got out the water and I'm late for school
I asked Duddy to skip and he said that's cool so I
grabbed up on my skate and we went to get a magnum
I said fuck it make the grade graduation I don't have
it and now its 3 years later and I still haven't walked
just to get kicked out of class now I get paid for
when I talk and you can tell by my speech that I come
from beach and I know that you're pissed cuz you
didn't
make this beat and I know that you don't like me but
I know you like my flow I know that you don't like
me cuz I say dude and bro alot of rappers talkin' bout
things that they don't know how to do drugs have sex
get drunk and rock a show I love coming home cuz its
always so wonderful cuz when your in your
neighborhood
your much more comfortable.

(Chorus x1)

Verse 2:

Went out of my way your feeling alone as a distance
pressures away you could be home where I fit in.
I'm reminiscing about the days were we didn't care
two dirty kids with no shoes and long hair no car but
front porch and two chairs no place to go no way to get

there

These Cali woman be the best I've seen be the best
I've seen be the best I've seen Cali weed be the
brightest
green be the brightest green be the brightest green.

(Chorus x1)

Verse 3:

Move, stop, move move move, stop (x2)
Let the beat drop, dra dra dra drop
beat drop, dra dra dra drop.

(Chorus x2)
