My life is a warzone.
My life is a mess.
This world is full of landmines.
And I can't take this stress.
Tread softly, these fields are deadly.

LaLaLaLa Landmine
Landmine getting in my way.
LaLaLaLa Landmine
Landmine gonna blow me away.
(x2)

This world is full of landmines.
And I can't take this stress.
My life is a warzone.
My life is a mess.
Tread softly, these fields are deadly.
One wrong step, and you're fucking dead.

LaLaLaLa Landmine
Landmine getting in my way.
LaLaLaLa Landmine
Landmine gonna blow me away.
(x2)
