We said we'd walk together
Baby come what may
Back from the twilight
Should we lose our way
As we were walking
A hand should slip free
I'll wait for you
Should I fall behind wait for me

Swore we'd travel together
Darlin' side by side
We'd help each other
Stay in stride
Each lover steps on
So differently
So I'll wait for you
Should I fall behind wait for me

Everyone dreams of
A love lasting and true
You and I know what this world can do
So let's make ourselves be
That the other may see
And I'll wait for you
Should I fall behind wait for me

There's a beautiful river
In the valley ahead
There need be no drought
Soon we will wed
Should we lose each other
In the shadow of the evening dreams
Oh, I'll wait for you
Should I fall behind wait for me
Darlin' I'll wait for you
Should I fall behind wait for me

Wait for me
If I should fall behind wait for me
Wait for me
