Our love is the moon  
Our love is the kingdom come  
Our love is a flame  
Our love is a will be done  
Our love is a jewel, a diamond and rough  
But you don't want it  
You don't wanna take

Chorus:  
If this is the end  
I don't wanna know  
This time  
If this is the end  
I don't wanna go home  
This time  
If this is the end

Our love is true  
Our love is the rising sun  
Our love is in bloom  
Our love has just begun yeah  
Our love is proof of what was yet to come  
But you don't want it  
You don't wanna take

Chorus

It was so easy  
We were so young  
It's only natural to come undone  
At the end of this evening before the rise of the sun  
You're coming with me  
You're coming with me yeah

Chorus

I don't wanna know  
I just want you back my side  
If this is the end  
I don't wanna know  
I just want you back

Lord I want you back my side  
Oh yeah yeah yeah...  
I don't wanna know  
I just want you back
