It's not easy  
Trying to understand  
How the world can be so cold  
Stealing the souls of man  
Cloudy skies rain down  
On all your dreams  
You wrestle with the fear and doubt  
Sometimes it's hard, but you gotta believe

There's a better place  
Where our Father waits  
And every tear  
He'll wipe away  
The darkness will be gone  
The weak shall be strong  
Hold on to your faith  
There will come a day  
There will come a day

Wars are raging  
Lives are scattered  
Innocence is lost  
And hopes are shattered  
The old are forgotten  
The children are forsaken  
In this world we're living in  
Isn't anything sacred

There's a better place  
Where our Father waits  
And every tear  
He'll wipe away  
The darkness will be gone  
The weak shall be strong  
Hold on to your faith  
There will come a day  
There will come a day

Song will ring out  
Down those golden streets  
The voices of earth

The angels will sing  
Every knee will bow  
Sin will have no trace  
In the glory of His amazing grace  
Every knee will bow  
Sin will have no trace  
In the glory of His amazing grace  
There will come a day  
There will come a day  
Oh, there will come a day  
There will come a day  
I know there's coming a day  
Coming a day
