"Hope"

i'm trying to find my way home to you
i'm gonna wipe all your tears away
ignorance and hate are killing this world
so where's the change?
it'll happen someday

oh- i try not to give up hope
that one day things will get better
we're all gonna be together -
may not be sunny weather

don't give up hope

its never been a question of "this is alright"
'cause we're not gonna have it
all that i cna do is hope against hope
we'll set it right
'cause we're killing each other

oh- i try not to give up hope
that one day things will get better.
we're all gonna be together -
may not be sunny weather
don't give up hope

well i don't know what to say,
but you've turned
me inside and out
and i don't know what to do
but i'm young and so are you so,

oh- i try ;not to give up hope
that one day things will get better
we're all gonna be together-
may not be sunny weather

don't give up hope
