VERSE 1:

I've got a million things going round in my head
and I've never really payed attention to what you said,
no
and now i wish that i would have said goodbye
but it's much too late
and all I do is give
and all you do is take

CHORUS:

You've got to look before you leap
Woah yeah
Take a good look at your so called friends, yeah
Thats the company you keep
You got words coming at you from all directions
You got to look before you leap
Woah yeah
Take a good look at your so called friends, yeah
thats the company you keep
you got the words, oh yeah

VERSE 2:

there's a lot of things that were never said
and if we'd have grown up faster
then i would have stood up
but i should have cut you loose a long time ago
but its much too late
and all I do is give
and all you do is take

CHORUS:

You've got to look before you leap
Woah yeah
Take a good look at your so called friends, yeah
Thats the company you keep
You got words coming at you from all directions
You got to look before you leap
Woah yeah
Take a good look at your so called friends, yeah
thats the company you keep
you got the words, oh yeah

BRIDGE:

well there never was a time when you didn't try to love
me over
never was there a time when I felt bad for you
whenever you had the chance
the way I see it you tried to screw me over
never was there a time when i wasn't there for you
You've got to look before you leap
Woah yeah
You've got to look before you leap
Woah yeah
You've got to look before you leap
Woah yeah
Take a good look at your so called friends, yeah
Thats the company you keep
You got words coming at you from all directions
You got to look before you leap
Woah yeah
Take a good look at your so called friends, yeah
thats the company you keep
you got the words, oh yeah
you got the words, oh yeah

They keep flying their flag but they're never gonna
understand
