I know, they know  
Don't drink, drive slow  
Insane, no brain  
Dress down, look plain  
Big fun, no gun  
No girl, gotta run  
Flip side, can't hide  
Can't think suicide

Is there anybody out there?  
Does anybody know?  
Is there anybody out there?  
(Does anybody?)  
Does anybody know?

Been there, no where  
Done that, get square  
I'm hip, no lip  
Dig this, my tip  
Punk's dead, see red  
Life sucks, dead head  
No race, no face  
Still there, same place

Is there anybody out there?  
Does anybody know?  
Is there anybody out there?  
(Does anybody?)  
Does anybody know?

I don't know where I went wrong  
And I don't know if I can  
Wait that long  
But everytime I hear that  
Another kid died  
Through a senseless act of violence  
It makes we wanna cry

Is there anybody out there?  
Does anybody know?  
Is there anybody out there?  
(Does anybody?)

Does anybody know?
