So  
when you really love me  
darling  
bring me Edelweiß

So when you really love me you should bring me  
Edelweiß.

Freibier! Oh yeah! Freibier! Oh yeah! That's the way we  
like it!

So when you really love me  
darling  
bring me Edelweiß

...

Woman  
I need some Austrian loving  
I know what it means

I better start climbing for the dopest flower on the top  
of the  
mountain.  
I know what you want  
they don't grow the ground

Hiking up North like Cooly C  
you see eye to eye  
We're picking the one and only flower that shows love  
As you look into my eyes  
so we can show it with Edelweiß.

So when you really love me

darling bring me Edelweiß

...

Ruck-sack  
Rucksack!  
Last night the Fährster saved my life!  
Last night a Freibier turned me round  
And round and down and down and down

Round and round and down and down and down.

So when you really love me  
You should bring me Edelweiß!
