[Verse One]

I gotta mouth full of rock's, with some  
Can in my ass, gotta watch my  
Fuckin' back for the police pass  
So I hit the Eagle set, I saw my nigga Shawn  
Jumped off my butt, and said what's goin' on  
Big Hugh, was on the corner gankin' fends for crack  
Money Mike was gettin' paid, that's how I knew he had a  
stack  
We rollin' through the Grove, fittin' other nigga's sets  
Cuz the Molly Branch nigga's, quick to put you in check

[Chorus]

Now biggegy biggegy bitch, where they at?  
Where they at? Shake it wash it  
Seein' a soldier, get the gat, get the gat  
[2x]

[Verse Two]

I hit the Tenth Ward through that STP  
Annotseacion, roots off, and valets  
Since ya wanna go to war nigga, go to war  
Wanna slang some fuckin' nine, take a walk on  
Chipaewa

[Chorus-2x]

[Verse Three]

I hit the Third Ward through the CP-3  
Then them hoes started to jock cuz they know it was me  
Now them nigga's on Calve is a rat-tat-blaster  
Wanna talk that fuckin' shit, take a walk on Errata  
The miggegy Magnolia, the wild Magnolia  
Saw my cousin Juvey, cuz I know he was an hustler  
The Melphomene queen hang on Josephine  
Suck a nigga dick, like ya do in a dream

[Chorus-2x]

[Verse Four]

I had an Powder Shop, that was based on Eagle

Servin' twenty sac's and them bitches was illegal  
Eightball, sixteen, eight quarters, and even ounces  
Makin' big bank, now I'm bouncin' biggegy bouncin'  
Seven gram's and a quarter I mixed it with some water  
Put it in a test tube and watched the bitch get harder  
Some go for \$250, some go for \$300  
Some nigga's cook it up and bound to make some  
money  
Move a half a bird a day, got no time to play  
I'm not from rag to riches, but I know I'm on my way  
Hiked up with a boot and I know them nigga's know it  
Take a purse, and no fork myself it's time to get loaded  
But it's all bout business, cuz I'm in it to win it  
If you step on my toes I'ma turn into a menace  
Front nigga's in my way, try'na make a quick buck  
But it really don't matter, cuz we all comin' up

[Chorus]

I had a Powder Shop that was based on Eagle  
Come with thirty gee's and ya bound to get served  
[2x]

[Verse Five]

On a all night flight a nigga was spooked  
We saw nigga's we didn't know, but knew what to do  
Cuz we had are gat's cocked, ready to let cap's pop  
To bust a nigga ass, watch another nigga drop  
The very next day, it was the same o'l thing  
I'm opened up my Powder Shop, so I can slang and  
slang  
Because a bitch ass nigga, can't stand to see you  
comin' up  
Cuz it's a dirty ball game, that's why ya don't give a  
fuck  
Moved up to a bird, with a hell of a nerve  
If you come with thirty gee's ya bound to get served  
A money hungry nigga, know I ain't go lie  
Only the strong survive, I wanna piece of the pie  
No I'm never gonna stop, steady watchin' nigga's drop  
Makin' bank on my set, slangin' out my Powder Shop

[Chorus-From Last Verse-2x]
