Girl I got it)

Shake, shake it baby

Shake, shake it

Shake, shake it mama

Shake for JD

Let me see you

Shake, shake it baby

Shake, shake it

Shake, shake it mama

Shake for JD

Let me see you

[JD]

Now your girl said you were out looking for me

If so, then you need to come and see

If you're ready for a night that you will never forget

I'll give you pleasure and real love

If you let me...

Baby tell me what it is you want from me

Don't beat around the bush if you want my body

If you want it girl, I got it

Come and get with me

Girl I'll turn your body inside out

And bring extasy

If you want it, baby come and bring your body to me

If you need it, girl I got it, got it

Got-got-got got it, come on

Trust me girl

You need to come with me

I've searched all around the world

Finding you is like a dream

When we wake up, you won't feel the same about me

Cause you'll realize

You're life won't be the same without me, whoa

Baby tell me what it is you want from me

Don't beat around the bush if you want my body

Just you and me

I told you bring your body, to me

And tell everybody about me

The things I'll do to your body

You'll love me and we can be

[Trina]

Uh, uh

I need a hot thug who can handle this

And in the hot tub with the candles lit

I got the Crisy-Cris on the bottle of ice

Like Biggie Smalls say, we fuckin' tonight

JD Heartbreak, make it flow better
Making love on a bed full of rose petals
Just hold on tight cause my love is real
I make you feel extasy without the pill
I wonder how many licks do it take
To make you, break you, make your body shake
Make my inside out
Ride out, spend a week in Hawaii, hide out
And if you want it you know that I got it
Give it to me daddy, you know that I'm bout it
And if you throwin' that ****
I'mma do my thang and throw this *** back at at you
like a boomerang
Baby tell me what it is you want from me
Don't beat around the bush if you want my bod
