Wake up, wake up,  
This is no hallucination  
This is what we have become,  
This is what dreams are made of.

Go look in the mirror.

Wake up, wake up,  
This is no hallucination.  
Wake up, wake up,  
It just goes against our mission.

Do we still exist,  
I can't see my face.  
Or are we just not here,  
I can't see my face.

Wake up, wake up,  
This is no hallucination.  
This is what we have become,  
This is what dreams are made of.  
Wake up, wake up.  
Wake up, wake up.  
Wake up, wake up.  
Wake up, wake up.  
Wake up, wake up.  
Wake up, wake up.  
Wake up, wake up.  
Come on,  
Come on you've got to wake the fuck up.

Wake up, wake up,  
This is more than you bargained for.  
It took so long so you ate some more,  
You did too much man,  
Did got too much.

Wake up, wake up.  
Wake up, wake up.  
Wake up, wake up.
