There's a cannon shooting coconut cream

40 gallons in a steady stream

There's a cannon shooting coconut cream

40 gallons in a steady stream

It's like wing music to a happy cat

he likes his butterflies slow and fat

and wing music to a happy cat

he likes his butterflies slow and fat

Us little Christians in a circle jerk

til our daddy gets home from work

all us good Christians in a circle jerk

til our daddy gets home from work

There's a cannon shooting coconut cream

40 gallons in a steady stream

there's a cannon shooting coconut cream

40 gallons in a steady stream
