Watch the band through a bunch of dancers

Quickly, follow the unknown with something more familiar.

Quickly something familiar

Courage, my word it didn't come it doesn't matter

Sleepwalk, so fast asleep in a motel

that has the lay of home and piss on all of your

background and piss on all your surroundings

Courage, my word, it didn't come, it doesn't matter

Courage, it couldn't come at a worse time

So there's no simple explanation

for anything important any of us do

and yea the human tragedy

consists in the necessity

of living with the consequences

under pressure, under pressure.

Courage, my word, it didn't come, it doesn't matter,

Courage, it couldn't come at a worse time
