We can take a bit of a breather or we can skip to the
practical part

We can skip to the time of Neither

When we're together, even when we're apart

Tell you a story about the Lake Fever

or we can skip to the coital fury

You didn't say yes or no neither

You whispered hurry

We can take it a little bit further or we can skip to the
after-effects part

Not trying to make you a believer

I don't want a lil' piece of your heart

Just telling you a story about the Lake Fever

or we can skip to a neutral fury

You din't say yes or no neither

You whipered hurry

Wanna be a nobody without peer

Wanna be a thought that's never done

Wanna shake your faith in human nature

Wanna break the hearts of everyone

Wanna be your wheezing screen door

Wanna be your stars of Algonquin

Wanna be your roaring floorboard

Wanna break the hearts of everyone

and cause discontent

Until they, ceasing their investigation,

bring back the days' events, good citizens

and time well-spent

Till we're talking in whispers again

[You whispered hurry
