Does you mother tell you things?

Long, long when I'm gone?

Who you talking to?

Is she telling you I'm the one?

It's a grave mistake and I'm wide awake.

Drive-In's rained out

Weatherman wet-fingers the sky

He pokes it out, he pulls it in

He don't know why

It's the same mistake

It's been a long time running

It's been a long time running

It's well worth the wait

We don't go anywhere

Just on trips

We haven't seen a thing

We still don't know where it is

It's a safe mistake

It's been a long time running

It's been a long time running

Well, well it's all the same mistake

Dead to rights and wide awake
I'll drop a caribou, I'll tell on you
I'll tell on you, I'll tell on you
You've got a boat-load O'nerve
But I would say you've been told
You work me against my friends
And you'll get left out in the cold
It's the same mistake
It's been a long time running
It's been a long time running
It's been a long, long, long time running
It's well worth the wait
