It was handsome at the auction,  
oh but when we got it home,  
it grew into something we could  
no longer contain  
Where's our pigeon camera,  
by now he could be anywhere  
and after all that training.  
And after all that training,  
something we could no longer contain.  
It's boring, I'm embarrassed,  
I don't endorse that, I didn't want this  
This house it has it politics;  
over there that's my room  
and that's my sister's.  
And that's my sister,  
something we could no longer contain  
It's boring, I'm embarrassed,  
I don't endorse that; I didn't want this,  
it's horrific, I'm embarrassed,  
I didn't want that, I didn't want this  
It's like we burned our boots with no

contingency plan
