"Put It Off"

I wrote unfriendly things, truly cruel, on the day that
you were born

to prove that words cannot touch beauty but I was torn

I put it off, I put it off, I put it off again

I made degenerate art for the religious right on the day
that you were born

I had a passion to experiment but I was torn

I put it off, I put it off, I put it off again

I played Love Tara by Eric's Trip on the day that you
were born

I had to find the cuteness in the unadorned but I was
torn

I put it off, I put it off, I put it off again

I put it on, I put it on, I put it on again

And so on...
