Instructions from the manual

could not have been much more plain

the blues are still required

the blues are still required again

past territorial piss-posts

past whispers in the closets

past screamin' from the rooftops

we live to survive our paradoxes

Men here of the secret

they pass in upholstered silence

they only exist in crisis

they only exist in silence

past territorial piss-posts

past whispers in the closet

past screamin' from the rooftops

we live to survive our paradoxes

we'll live to survive our paradoxes
