There's a justice in this world

And I know just what she's called

She's called Elaine

There's a dead man in your heart

And he takes up too much room

And I know just what he's called

He's called Steve

There's a farmer in the clouds

And he's sowing golden seeds

and he's feeding on your dreams

That's the only thing you need

And I know just what he's called

He's called Ray

I'm starting to freeze

Freeze

Freeze

I'm starting to freeze

I know who wrote the book of love

It was an idiot

It was a fool

A slobbering fool with a speech defect and a shaking

hand

And he wrote my name

Next to yours

But it should have been David Byrne or somebody

DOG DIG A DOG DIGA DOG DIG A DOG

DOG DIG A DOG DIG A DOG DIG A DOG DOG

There's a justice in this world

And she's cruel but she's fair

And I know just what she's called

She's called Elaine

She's called Elaine
