Swirling takes up all my time

Makes me know that I'm above you

Swirling curling up in smoke

It started as a joke but...love you

Moss suspended on a grave-and growing in a cave

Where I can carve your name

CHORUS

Love you

Swirling occupies my life

And if I had a wife she'd be you

Swirling takes up all my time

And if that's such a crime why love you?

Moss suspended on a stone-and down the telephone-

To where I call your name

CHORUS
