save my soul
coz i don
save my soul o lord
coz i don

its been ages since you sent me
and i have been wandering like a fool

every single breathe
brings me closer to death
but i don
and time cuts me with a very sharp knife

so save my soul
coz i don
save my soul o lord
coz i don

these few words
i pray every single day,
so that you will grant
grant me the way,

the way to your home
the way to everlasting peace
the way to your eternal abode
the way to truth

so save my soul
coz i don
save my soul o lord
coz i don

now i have only one earnest request
shower your grace and fulfill my quest
the quest for
eternal life

so save my soul
coz i don
save my soul o lord

coz i don

now i analyse
how did i spend this day
how long did i remember you
not even 1/10th of this day

so save my soul
coz i don
save my soul o lord
coz i don

it
and i don
even though i want to meet you
i don
people give me false assurances
that after death i will meet you
if that
you long back and never came back here
in this illusory world

so save my soul
coz i don
save my soul o lord
coz i don

it
cant you forgive me for the same
forgive me for my sins o lord
and save me from this dirty game.

give me a chance
help me know to do
save my soul o lord
coz i don

how can i be happy after separating from you
so pls save my soul
coz i don
save my soul o lord
coz i don

forgive my sins and take me back to you
my true father

so save my soul
coz i don
save my soul o lord
coz i don

so save my soul
coz i don
save my soul o lord
coz i don

pls save my soul
coz i don
save my soul o lord
coz i don
