why do i forget you o lord
why do i forget you o lord

when you are my true friend
and no other
everyone i am present with
cannot help after i die
but you can certainly help me
and that?s no lie

why do i forget you o lord
why do i forget you o lord

when you are supposed to be
the essence of this life
and i am spending it only with
my friends, relatives and wife

why do i forget you o lord
why do i forget you o lord

cleanse me o lord
so that i maybe able to meet you
shower your grace
so that i may know how to please you

why do i forget you o lord
why do i forget you o lord

when i know you are primary
and all else is secondary
they say i am intelligent
but i know i am a fool

why do i forget you o lord
why do i forget you o lord

when everything is transient
you are permanent o lord
when everything else is a lie
you are the only truth o lord

why do i forget you o lord
why do i forget you o lord

i am a puppet o lord
and you hold the cord
whenever you want
you can lift me up
and cleanse me too

why do i forget you o lord
why do i forget you o lord

when only you are pure
all else is impure
they say i am intelligent
but i know i am a fool
i am wasting this precious life
how can i keep my cool

why do i forget you o lord
why do i forget you o lord

when remembering you is the
purpose of a human life
and i am involved in petty matters
look at my plight
they say i am intelligent
but i know i am a fool

why do i forget you o lord
why do i forget you o lord
why do i forget you o lord
why do i forget you o lord
