[A Druids Vision:]

I see a hammer smashed upon  
A burning shield...

Nightfall came to join me  
And with it a nameless fear  
I ran away through woods of stone  
I never felt so alone

Always looking behind  
A fear undefined  
But I was feeling strong as I see

It's slowly coming into sight  
I prepared to fight  
With giant leaps it came upon me

To chain my body  
To blaze a trail  
Through my valour  
To take my gods and my freedom away

When eve was fallin' I was almost crawlin' - my fate was sealed  
Desperately I was fighting and untiringly I stroke back  
I stood my ground with a blackened shield  
Nothing would beat me  
Nothing would withstand my grim attack  
With my beckoning spear - And a blackened shield

Death is all around me  
But at least I am free

Chain my body  
And blaze a trail  
Through my valour  
You won't take my freedom away

Then in the distance o' times to come  
I saw a mon on the Highland shore  
Gaitherin' troops, beatin' drums

Fer freedom to come
