[Music by Arkadius, Marcel; Lyric by Marcel]

[Arthur:]  
Still the giants dance  
at salisbury plain  
Still my spirit wanders  
to reach this higher aim

Straight to foreign shores of distance  
we call the gods  
for a quest of truth and wisdom

As long as you see the giants dance  
My spirit wanders through the land

[Gwalchmei:]  
Led by the strength of bran  
and the timeless kings of Avalon  
The four winds of the land  
I will strive for the caldron

[Bedwyr:]  
Led by the swiftness of winds  
I will wander through the farest glens  
My sentence is my deed  
Is there a view of sense unknown?

[Arthur:]  
Craving for some armament to outlast  
this cold royal path  
I can hear them call  
The king must fall

Strayed by the four winds  
Over the land and far away  
through the dark and cold  
Hear my song of grief  
but there's a tune that gone astray  
while the world grow old

[Menw:]  
Each tone that ever met the wind  
finally reaches Math and so me

sight and breathless I am  
believe and trust is a value for the weak
