Lungs turn to rust, turn to soot
While you smother yourself
The taste of your mouth is of smoke
Lip gloss under his belt
Somebody help

Charred away
Your flesh and bones
This doll's been brought to life
Wrapped up in orchid leaves
Tangle all the twine
This wool, it will survive
In time

Pull out what's left of your hair
Is that lace in your skin
Focused and fixed on your ribs
Would you break from within
Somebody send
Oh I know, but I can't take this

Charred away
Your flesh and bones
This doll's been brought to life
Wrapped up in orchid leaves

Tangle all the twine
This wool, it will survive

Charred away
Your flesh and bones
This doll's been brought to life
Wrapped up in orchid leaves
Tangle all the twine
This wool, it will survive

Charred away
Your flesh and bones
This doll's been brought to life
Wrapped up in orchid leaves
Tangle all the twine

This wool, it will survive
This wool, it will survive
In time
