[Trillville Talking]

[Chorus]

You can get crunk in the club  
Roll wit your hood  
Get stomped in the club  
Or you could get buck in the club  
Get fucked up in the club  
Nigga we don't give a fuck  
But you don't want no problem (problem, hoo!)  
But you don't want no problem (problem, hoo!)  
But you don't want no problem with me  
BME we be filthy deep

[Lil Scrappy]

You don't wanna be dead in the streets  
Mouth full of blood, and soul full of heat (oooh!)  
Why you tryna act hard as hell  
And you know damn well you don't wanna feel the shell  
Nigga I've been down by the law  
Gun to my head, pressed dead to the wall  
I ogt big balls and bullets like baseballs  
Split ya dome, put you straight, knock out all y'all  
Hell no them boys don't play  
Striaight nuts to ya face  
Put ya pistol away  
I don't please, put weed to my head  
Pray for the folks in the club gettin' scared  
Got a problem with that?

[Chorus]

[Hook]

Hold 'em back, hold 'em back  
Man fuck that nigga!  
Fuck that hold 'em back  
Gotta push that nigga!  
Hold 'em back, hold 'em back  
Push that nigga!  
Fuck that hold 'em back

[Lil Scrappy]  
Hey shawty its on  
Goddamn it its on  
Keep poppin' in my face and get popped in the dome  
Learn to rush muthafuckas  
Its gonna hurt  
If a nigga fall (fall)  
That's when shit gets worse  
The problem with you niggaz is  
You just talk to much  
Man swang on a nigga, and fuck his ass up  
And you can walk on by with yo nuts in a tub  
I'll beat yo block if you really won't get crunk  
In the A we don't play them games  
We just stack and slang and load up them thangs  
Gettin' buck if you wanna and catch a bow  
Keep yo pretty ass gul, beat your ass, and take your  
hoe

[Chorus]
