I've been fallin
Through mid-air
Can't escape this feeling
I'm going somewhere
Had a vision now
That's here to stay
Seeing is believing
I'm on my way

It's time for me
To set my spirit free
I'll find my destiny (oh yeah)
It's hard to see
What will be will be
I'll find my destiny (destiny)

I'll find my destiny

Heard you calling
From high above
The sweetest voice was saying
that we could learn to love
Each other and be as one
When we start believing
Our journey as begun

Join with me
Set your spirit free
You'll find your destiny (oh yeah)
Stay with me
What will be will be
We'll find our destiny

I'm falling I'm falling I'm falling
Gonna find my destiny

I'm falling I'm falling I'm falling
Gonna find my destiny

I'm falling I'm falling I'm falling
Gonna find my destiny

Destiny
