Can't Get Over Losing You
And So I'm Tired I Just
Can't Get Over Losing You
And So I Can't Get Over Losing You
I Just Can't Get Can't Get Over Losing You
Can't Get I Just Can't Get Over Losing You
And I Just.....

{Jeffrey Jey}

And I Don't Care What I'm Missing Is You
You...

{Elena Flochen}

I Lost The Count Now Of How Many Letters
I've Wrote From Here
And I Lost The Count Now Of How Many Days
I've Been Away From Home

I Remember The Time That You Asked Me
What Was Right Or Wrong
And I Don't Care What I'm Missing Is You
You...
