I do it 4 u
Dis rap not 4 him
He just some sin
From de recycln bin

Thinks hes on fire
Cutting his wire
He?s such a liar
Bow?s to his sire

Hes a strangling weed
Tryin hard to succeed
But he?ll never defeat U
As long as u stand true

I?ll stand beside u
Don?t need to hide u
U got de faith
Now let?s embrace

Word to Mary
Her life was Scary
Mother of u
The holiest Jew

Jesus U rule
He?s just a tool
What a loser
Just a bruiser

I want Mary
I want Mary
Life was scary
Before Mary
