SHARING THE NIGHT TOGETHER

(A.Aldridge/E.Struzick)

DR. HOOK - 1979

You're looking kinda lonely girl

would you like someone new to talk to, ah yeh alright

I'm feeling kinda lonely too

if you don't mind can I sit down here beside you

ah yeah alright

If I seem to come on too strong

I hope that you will understand

I say these things 'cause I'd like to know

if you're as lonely as I am

and if you mind

Sharing the night together, oh yeah

Sharing the night together, oh yeah, sharing the night.

We could bring in the morning girl

if you want to go that far

and if tomorrow find us together

right here the way we are

would you mind

Sharing the night together, oh yeah

Sharing the night together, oh yeah, sharing the night.  
Would you like to dance with me and hold me  
you know I want to be holding you  
ah yeah alright 'cause I like feeling like I do  
and I see in your eyes  
that you're liking it too, ah yeah alright  
like to get to know you better  
is there a place where we can go  
where we can be alone together  
and turn the lights down low and start sharing the night  
...
