Spoken [Hey ray, hey sugar, tell them who we are]

Well, we're big rock singer, we got golden fingers

and we're loved everything we go [that sounds like us
]

we sing about beauty and we sing about truth

at ten thousand dollars a show [right]

we take all kind of pills, that give us all kind of trills

but the trill we've never known,

its the thrill that'll getcha

when you get your picture on the cover of the rolling
stone

CHORUS:

Rolling stone

wanna see my picture on the cover

wanna buy five copies for my mother [yeah]

wanna see my smiling face

on the cover of the rolling stone [thats a very very
good idea]

I got a freaky old lady named a cole king katy

who embroideries on my jeans

i got my poor old grey haired daddy

driving my limousine

Now its all desinged to blow our minds
but our minds won't really be blown
like the blow that'll getcha when you get your picture
on the cover of the rolling stone

CHORUS:

Rolling stone...

[hey, i know how.... Rock'n Roll]

SOLO:

[awww, thats beautiful]

We got a lot of teenage blue eyed groopies
who do anything we say
we got a genuine indyan guru
who's teaching us a better way
we got all the friends that money can buy
so we'll never have to be alone
and we keep getting richer but we can't get our picture
on the cover of the rolling stone

CHORUS:

Rolling stone

wanna see my picture on the cover
wanna buy five copies for my mother [I want one]
wanna see my smiling face
on the cover of the rolling stone
on the cover of the rolling stone
wanna see my picture on the cover [i don't know why
we ain't on the cover, babe]

wanna buy five copies for my mother [We're beautiful
fellows]

wanna see my smiling face [i ain't kidding ya]

on the cover of the rolling stone [ah, we would make a
beautiful cover, the first shot, right up front man, i can
see it now...we would be on

the front smile
