When you're in love with a beautiful woman  
It's hard  
When you're in love with a beautiful woman  
You know it's hard  
Everybody wants her  
Everybody loves her  
Everybody wants to take your baby home

When you're in love with a beautiful woman  
You watch your friends  
When you're in love with a beautiful woman  
It never ends  
You know that it's crazy  
You want to trust her  
Then somebody hangs up when you answer the phone  
When you're in love with a beautiful woman  
You go it alone

Maybe it's just an ego problem  
Problem is, I've been fooled before  
By fair weathered friends and faint hearted lovers  
And everytime it happens  
It just convinces me more

When you're in love with a beautiful woman  
You watch her eyes  
When you're in love with a beautiful woman  
You look for lies  
Everybody tempts her  
Everybody tells her  
She's the most beautiful woman they know

When you're in love with a beautiful woman  
You go it alone  
When you're in love with a beautiful woman  
You watch your friends  
When you're in love with a beautiful woman  
You watch her eyes  
When you're in love with a beautiful woman  
You keep looking for lies
