What do you want to be when I grow up  
A teacher, a nurse or a bum  
I don't need you to judge what I did  
Stop treating me like a kid

If I wanna change my mind  
Without asking you  
If I wanna take my time  
Than I'm going to

'Cause I'm a big girl  
I'm a very good girl  
Yes, I'm a big girl

And you don't have to worry  
'Bout me this time  
Just trust me  
I'll be fine

And, hey, yeah  
Do you ever think of letting go?  
And, hey, yeah  
Before I lose my mind

Everything I want to do, you say no  
When I ask you why 'cause I told you so  
If I wanna tie my shoes without help from you  
Guess no one ever sheltered you

And, hey, yeah  
What ya gonna do when I'm not around  
And, hey, yeah  
You can't make the clock unwind, I keep telling you

I'm a big girl  
I'm a very good girl  
Yeah, I'm a big girl

And you don't have to worry  
'Bout me this time

Just trust me, I'll be fine

And, hey, yeah  
Do you ever think of letting go?  
And, hey, yeah, before I lose my mind

I'm a big girl  
And I'm not your little girl  
Yeah, I'm a big girl  
And you don't have to worry about me this time  
'Cause I'll be fine

I'm a big girl  
I'm a very good girl  
Yeah, I'm a big girl  
And you don't have to worry 'bout me this time

Just trust me I'll be fine  
And, hey, yeah  
Do you ever think of letting go?  
And, hey, yeah
