So what if it is me  
And what if we don't care anymore?  
What if we come clean?  
Goodbye fear out the door

'Cause you don't care  
And you don't seek

There's no comprise  
There's no denying  
I don't wanna hear forever  
When I close my eyes

It disappears whatever  
And I can't seem to find  
What it is that you want  
If I turn around?

I know, yes, I know  
You'll be gone

So what is completely  
There's so many questions on my mind  
Thought you were the answer  
But I've been lost for some time

'Cause we don't care  
And we don't speak

There's no comprise  
There's no denying  
I don't wanna hear forever  
When I close my eyes

It disappears whatever  
And I can't seem to find  
What it is that you want  
If I turn around?

I know, yes, I know  
You'll be gone

Gone, gone, gone  
If I turn around, you'll be gone  
Gone, gone, gone  
If I turn around

I don't wanna hear forever  
When I close my eyes

It disappears whatever  
And I can't seem to find  
What it is that you want  
If I turn around?

I know, yes, I know  
You'll be gone
