This won't be easy,  
you'll think it's strange.  
When I try to explain how I feel -  
that I still need your love  
after all that I've done.  
You won't believe me.  
All you will see is a girl you once knew,  
although she's dressed up to the nines -  
for sixes and sevens with you.  
I had to let it happen.  
I had to change.  
Couldn't stay all my life down at heel.  
Looking out of the window,  
staying out of the sun.  
So I choose freedom.  
Running around, trying everything new.  
But nothing impressed me at all.  
I never expected it too.  
Don't cry for me, Argentina.  
The truth is I never left you.  
All through my wild days  
My mad existence  
I kept my promise, don't keep your distance.  
And as for fortune,  
and as for fame,  
I never invited them in -  
though it appeared, to the world,  
they were all I desired.  
They are illusions,  
they're not the solutions they promised to be.  
The answer was here all the time.  
I love you, and hope you love me.  
Don't cry for me, Argentina.  
The truth is I never left you.  
All through my wild days  
My mad existence  
I kept my promise, don't keep your distance.
