(Rap)

Lying in the sun just trying to get a tan  
trying to find a look to go with the plan

Everybody's different  
everybody's got their thing  
spinman give me a rhythm...swing, swing

You don't have to dance alone  
just get on the floor and make yourself at home  
do anything you want to do  
it's alright...it's up to you

(Ethnic chorus):

It doesn't matter what skin you're in  
c'mon baby let the groove begin  
get ethnic...all day  
get ethnic...all night  
'gonna chill and ride the day out  
people let me tell you what it's all about  
get ethnic...all day  
get ethnic...all night long

(Talk)

Walk my way  
talk my way

This is a new direction  
we're gonna take it to the street  
spinman throw down a funky beat...  
Ooh sweet  
don't really care where you come from  
you may move to a different drum  
jump right in and take your place  
we're all part of the human race

(Ethnic chorus)

Like your mama do  
and your daddy too  
it's an attitude

(Ethnic chorus x 2)

Everybody's different  
and we all have a song to sing  
spinman do your rhythm thing...swing...swing  
spinman do your rhythm thing...swing

(Ethnic chorus)

C'mon c'mon baby  
smooth me out  
smooth me out

(Chant fade)
