"Heaven Knows"

Baby please, please don't take your love from me
I am yours for ever more, 'till eternity
Silent please, listen to the words I say
I'm not talking just for play, listen to me please

Heaven knows it's not the way it should be
Heaven knows it's not the way it could be
Don't you know there's no need to leave
Heaven knows I never wanna leave you
Heaven knows I only wanna please you
Don't you know love is what I need

Down inside, don't get caught with foolish pride
Put all the things aside, there's only you and me
Believe in us, we were always meant to be
Me for you and you for me, 'till eternity...

Heaven knows I only wanna love you
Heaven knows I never wanna lose you
Don't you know love is meant to be
Heaven knows it's not the way it should be
And it's no use now
So stop with your pretending
So come on down and hear me when I cry...
