Perfect love you will never find  
say goodbye to what's left  
behind  
your release is way overdue  
let your tears be a friend to you

Chorus:

If it hurts just a little be glad of it  
don't get caught in the middle  
thinking 'bout it  
if it hurts just a little be glad of it  
if you try you will see, what will be  
hurts just a little  
Silent eyes make your public life  
and the lies can be cold as ice  
how could you ever be so blind  
bet you never ever ever thought  
that love could  
be so unkind

Chorus:

C'mon baby, c'mon sugar, c'mon  
honey (darlin' )  
C'mon baby, c'mon sugar, c'mon  
honey (darlin' )  
C'mon baby, c'mon sugar, c'mon  
honey (darlin' )  
It's a crime of passion  
that's just what it means to me

Chorus
