I don't all my friends to tell me  
things that I already know  
like in the best of all worlds  
you shouldn't forget self-control

Don't say I don't know what I'm doing  
'cos he said "it's more than a feeling"  
and I said "I need you too"  
am I just a fool?

I don't wanna get hurt  
I don't wanna get hurt  
I'm no looking for just another heartache  
I don't wanna get hurt  
but I know it's a chance I've got to take

I don't need all my friends to remind me  
mistakes that I've already made  
I just leave the past behind me  
and go on believing that I'll be okay

Some things are only human  
and he said he'd always need me  
and I said "I want you too"  
am I just a fool?

Repeat chorus

Instrumental  
just another heartache

I don't all my friends to tell me  
things that I already know  
like in the best of all worlds  
you shouldn't forget self-control

Don't say I don't know what I'm doing  
'cos he said "it's more than a feeling"  
and I said "I need you too"  
am I just a fool?

Repeat chorus twice

It's chance I've got to take (x4)to fade
