Sitting by an open door
with rain dropping in my face
then lighting strikes
across the room
I fall in your embrace
it was a lovely rendezvous
better than anyone
ever know

A gentle face
a fiery heart
with nothing to conceal
that's what it takes to hold me down
a man with grand appeal
oh while I draw you
to my soul
I feel the fire of love
taking control

Chorus:
Jeremy
when I think of you
the good times that we have
the melody
signs out to me
my heart at your command
Jeremy
Oh baby oh baby oh baby
Ooh...
you're the only one who can

Silent nights
are lonely nights
whenever we're apart
and every moment you're away
I hide you in my heart
Oh while I draw you
to my soul
I feel the fire of love
taking control

Chorus

Jeremy you see
thet we are two of a kind
we could stay together baby
for all time
we can live without each other
but it wouldn't be the same
'cause I am you and you are me
it's never gonna change

Chorus
