Spoken:

I just wanna say this

This is something I think most of you ladies will identify with

And maybe some of you men too

(THE MAN I LOVE)

Someday he'll come along

The man I love

And he'll be rich and strong

The man I love

And when he comes my way

I'll do my best to make him stay

He'll look at me and smile

I'll understand

And maybe for awhile

He'll take my hand

And though it seems absurd

I know we both won't say a word

Spoken:

You know I'm the kind of lady that always seems to find the wrong man at

the wrong place at the wrong time

It's not that I go out looking for him but somehow he always seems to find me

You see what I'm looking for is the kind of man that comes home with candy

and flowers sayin' "come on put on your dancing shoes cause we're gonna

wine and dine, wine and dine"

But what I always seem to find is the kind of man that comes home fussing

and fighting breaking my best dishes and beat my head outside the wall

Shows no love no respect and nothing at all

(I GOT IT BAD AND THAT AIN'T GOOD)

Never treats me sweet and gentle

the way he should

I got it bad and that ain't good!

(No it ain't good at all you know)

Spoken:

Listen have you been treating your lady nice lately, you have?, and how

about you? Great, well I've been gettin' rocked
completely!
My poor heart is sentimental it's not made of wood
I got it bad and that ain't good!
Spoken:
So you see on monday nights I just go out and drink
and drink
But when the weekend's over and Monday rolls aroun'
I end up like I start out just cryin' my heart out
Cryin' my heart out
Lord above me (come on) make him love me the way
he should
I got it bad baby
I got it bad baby
I got it bad and that ain't good!
No it ain't good at all you know
Spoken:
But listen Mister Big Shot I've got your number
and I'll take care of you
and you too and you and you and you
SOME OF THESE DAYS
Some of these days,
You're gonna miss your Donna
Some of these days
You're gonna feel so lonely
You'll miss my huggin'
You'll miss my kissin'
You'll miss me honey
When you're far away
You're gonna be so lonely
For me only
Cause you know daddy
You had your way
And if I leave you
You know it's gonna grieve you
You're gonna miss your sweet lovin' Donna
Some of these days
And if I leave you
You know it's gonna grieve you
You're gonna miss your sweet little Donna
Some of these days
Hey honey call me when you got time.....
