Once upon a time there was a girl  
who lived in a land of dreams unreal  
hiding from reality  
treated like a stranger  
living with her fantasies  
trapped within their world  
Once upon a time her hopes had  
died  
no one there to hear her futile cries  
living in a house of stone  
no one on her side  
a family in name alone  
no place left to hide  
Once upon a dream a man will come  
and give her everything she wants  
and loves  
but in the morning she'll awake  
to face the room around her  
it's just another lonely day  
and bitterness surrounds her  
bitterness surrounds
