My baby wears his heart on his sleeve  
He wears a look on his face that says please please  
please  
Love it everything he flaunts love it  
Everything he vaunts I just can't hesitate when he wants  
what he wants

And I said oh chucka oh chucka oh chucka

Last night he calls me on the telephone  
You know at 2 in the morning I just want to sleep on  
But he got a way with words and  
He got a way with charm  
You know at 3 in the morning he's back into my arms

And I said oh chucka oh chucka oh chucka

He's the boy he's the boy he's the boy  
He's my Romeo oh oh  
He's my R O M E O, Romeo

He looks so good the girls stop and stare  
But I soon wanna look with his double dark hair  
I'm not gonna let him go  
I'm not taking any chance  
It's a one in million mad mad romance

And I said oh chucka oh chucka oh chucka

He's the boy he's the boy he's the boy  
He's my Romeo oh oh  
He's my R O M E O, Romeo
