Woke up this morning  
drogged myself across  
the bed  
Alice went  
to wonderland  
but I stayed home  
instead  
I started feeling bad  
'cause I was left behind  
'cause I'm a wanderer  
Oh yes, I'm a wanderer

She climbed right through  
the mirror  
Oh that really blew my  
mind  
I think I'll  
follow through her rhythm  
and her rhyme  
I know I'm  
ready now  
it's just a  
little time  
'cause I'm a wanderer  
I'm a wanderer

Chorus:  
'Cause I'm wanderer  
I travel every place  
'cause I'm a wanderer  
form here to outer space  
'cause I'm a wanderer  
got no time  
'cause I'm a wanderer  
just a wanderer

Slipped down  
the back stair  
on my toes  
the out the door  
they didn't hear

now they won't  
see me anymore  
'cause I'm can't take  
that nine to five  
life  
it's a bore  
'cause I'm a wanderer  
just a wanderer

And so  
it's up and out  
and on and off  
the road  
won't have no troubles  
'cause the whole  
world  
is my home  
no need to worry  
'cause I seldom am alone  
'cause I'm wanderer  
I'm a wanderer

Repeat chorus

Now you may see me  
any time and  
any place  
and you may know me  
from the same look  
on your face  
and I don't know  
if I could change your frame of mind 'cause I'm  
wanderer just a wanderer....
